

QUEST MASTER

This club will focus on team work, communication and problem solving skills. Each week will have a different theme (i.e. Egyptian, Harry Potter) including tasks such as puzzle building, riddles, finding the right key for locks, solving questions etc. Participants will need to solve and complete tasks to escape in a certain time and to avoid getting locked in the room. Are you brave enough to face the challenge and do you think you have what it takes to escape in time?
