

Engagement Plan: Year 1 Summer 2—Amazing Animals

National Curriculum

As Scientists we will be categorising animals according to their scientific properties and looking at which animals are carnivores, herbivores and omnivores

As Theologians we will be thinking about key figures in Christianity.

As Sportsmen and women we are practising a variety of skills for Sports Day and Healthy Lifestyles

As writers we will be thinking about non-fiction, we will be working with The Power of Reading text Where the Wild Things Are and delving in to some digital literacy.

As Mathematicians we will be consolidating what we

Curriculum Drivers

Energy For Life

To improve our knowledge about the world of work, we will be discovering all about different animals in the world.

In sport, we will be improving our running skills.

Energy for Learning

To improve our knowledge, we will listen and try to have a go

To improve our skills, we will keep persevering

To demonstrate good learning attitudes, we will keep trying even if we need help.

Energy for the Environment

To recycle, we will continue to place used paper in the recycling bins.

To reduce, we will have less photocopying

To reuse, we will use the back of sheets for rough work.
