

Engagement Plan: Year 1 Spring Term 1

National Curriculum

As Geographers we are studying the UK through our theme, 'The United Kingdom'.

As Historians we are looking at the impact of the great fire on London.

As Scientists we are looking at plants.

As Musicians we will be continuing to explore rhythm and pitch.

As Designers we are going to be designing, baking and decorating our own biscuits.

As Computer users we will be collecting and presenting data.

As Writers we will continue to develop our spellings, sentences and punctuation.

As Mathematicians we will continue to build on our knowledge of number and shape.

As Readers we are continuing to build on our phonic knowledge, fluency and understanding.

Curriculum Drivers

Energy For Life

To improve our knowledge about the world of work, we will role play as tourist guides.

For our health, we will be developing our Gymnastics skills with the help of a specialist coach.

In sport, we will be developing our team games.

Energy for Learning

To improve our knowledge, we will engage in a range of exciting experiences.

To improve our skills, we will work on our own individual targets.

To demonstrate good learning attitudes, we will try new things.

Energy for the Environment

To recycle, we will continue to put our recyclable waste in the correct bin

To reduce, we will look after our equipment carefully

To reuse, we will use old materials for craft projects.
