

Engagement Plan: Year 3

Spring 1 Ancient Egypt: from farmers to Pharaohs

National Curriculum

As scientists, we will be learning about parts of a plant, the life cycle of a plant and seed dispersal

In English, our writing focus will be to inform. This will include writing a newspaper report and a set of instructions. We will read a variety of non-fiction books related to our topic. We will also continue to work on our fluency and oracy skills.

In Maths, the children will continue to develop their multiplication skills, moving on from the four times table to eight times table. We will continue to use Tackling Tables to improve our rapid recall of multiplication and division facts.

In history, we will be learning about all aspect of Egyptian life, from the very rich to the very poor. We will also have an Egyptian Day where our focus will be art and craft based.

In ICT we will continue to develop our use of the Google Classroom. We will also be looking at safe ways to communicate online.

In RE we will be linking our learning to Egypt and looking at the events in the lives of Moses and Joseph.

Curriculum Drivers

Energy For Life

We will be continuing with our outdoor games and indoor PE lessons.

We will continue to promote healthy eating.

Energy for Learning

To improve our skills, we will practise and use what we've been taught.

To demonstrate good learning attitudes, we will work together as a team helping each other .

Energy for the Environment

To recycle, we will put paper waste in the brown bin.

To reduce, we will make everyone aware of the need to look after the classroom equipment carefully so as not to waste/break it.

Our eco warriors will work hard to promote good ideas.
