

Engagement Plan: Year 4 Spring Term 1

Anglo- Saxons

National Curriculum

As scientists we will be investigating sound: how it travels and how it is formed.

As writers we will be writing biographies about Alfred the Great and letters. We will continue to work on learning our spelling patterns and grammar skills.

As mathematicians we will be focusing on developing our knowledge of mental and written methods for multiplication and division. We will be applying our problem solving to a range of contexts.

As historians we will be investigating how the Anglo Saxons have influenced Britain today.

As musicians we will develop last term's work on notation and rhythm. We will gain experience in singing and playing different patterns or riffs and compose some of our own.

In Art lessons, looking at recreating Anglo-Saxon art.

In French, we will be learning about the objects found in the classroom.

In RE, we will be looking at spiritual and moral guidance through different religious texts.

Curriculum Drivers

Energy For Life

To improve our knowledge about the world of work, we will learn about the importance of different roles.

In sport, we will be competing in outdoor adventure activities and applying our Growth Mindset skills to solve problems. In addition, we will be using our map skills to orienteer ourselves around the school.

Energy for Learning

To improve our knowledge, we will be focusing on how working hard improves our learning.

To improve our skills, we will practice working hard independently.

To demonstrate good learning attitudes, we will celebrate independence and working hard.

Energy for the Environment

To recycle, we will encourage the children to use our class recycling bins.

To use our knowledge of renewable energy to make changes such as, turning off lights and monitors when rooms are left empty.
