

## ALDERMAN JACOBS PRIMARY SCHOOL (ACADEMY TRUST)

### WHOLE SCHOOL PAY POLICY

For the Guidance of the Governing Body or Academy Trust.

#### 1. INTRODUCTION

##### 1.1 September 2015 Pay Award

The pay tables to apply for the September 2015 pay award are the figures determined by the Secretary of State and set out in the final STPC Document 2015.

1.2 Revised pay progression arrangements for the Leadership under this policy came into force with effect from appraisal targets set in the autumn term 2014. September 2014 was also the first time that annual pay increments are awarded to teachers without reference to the length of their service. Decisions about teachers' pay progression will be linked to performance, with the first annual performance-related progression pay increases being made in September 2014.

1.3 The Governing Body of the school will operate a Whole School Pay Policy as the 'relevant body', as defined in the STPC Document 2015, and for the pay arrangements agreed for all the support staff which will:

- grade posts appropriately within the conditions of employment identified in the current STPC Document and the conditions of service for support staff of the school
- take into account pay relativities between posts within the school
- ensure that the annual appraisal of all teachers, including part time teachers, unqualified teachers, members of the leadership group, and the annual performance review of the head teacher's salary, is fairly and properly conducted as soon as possible and by 31<sup>st</sup> October at the latest; 31<sup>st</sup> December for the head teacher.
- where a pay determination leads or may lead to the start of a period of safeguarding, the governing body will give the required written statement of notification as soon as possible and no later than one month after the date of the determination.

- ensure that discretion available under the STPC Document is exercised in a fair and equitable manner for determining the starting salary for all new teachers, for special education needs allowances, for Teaching and Learning Responsibilities payments, and for determining the salary ranges for leading practitioners and members of the Leadership Group, including the head teacher.
- give recognition to assigned increased responsibility for Teaching and Learning Responsibilities, whether for a permanent post, temporary projects or acting post basis.
- ensure that an approved evaluation process is used to determine the appropriate salary range for members of the school support staff.
- comply with the salary safeguarding arrangements in the current STPC Document

1.4 This policy statement will be available to the staff of the school.

## 2. DELEGATION OF DECISION MAKING

2.1.1 Except where otherwise stated, the Governing Body, having determined the policy as set out below, will delegate the day to day management of the policy to the head teacher in consultation with the Chair of Governors. The head teacher will report to the Governing Body those occasions when the delegated responsibility has been exercised in respect of the discretionary elements of the current STPC Document and the pay provisions for support staff.

2.1.2 The head teacher, in accordance with this policy, shall make annual recommendations on the salary of all staff to the appropriate committee of Governors.

The number of governors on the committee shall normally be 5 of which at least 3 governors shall sit in rotation. The agreed performance objectives and indicators/measures will/may be referred for moderation to a meeting of a moderation committee/ the chair of governors.

2.8.2 It is the stated wish of the Governing Body that the delegated governors should be appropriately trained

### **3. EXERCISE OF DISCRETION UNDER THE STPC DOCUMENT**

#### **3.1 Starting salary of new classroom teacher appointments.**

3.1.1 When advertising a teaching post the school will identify the range of salaries the school is prepared to pay subject to qualifications and experience. The school will not normally agree to match the salary on which the applicant is/was paid in his/her last school without first considering the merits of the application and its relationship to the salary of teachers employed at the school.

Where the head teacher or selection panel regards a teacher has relevant teaching experience, or non-teaching experience which is directly relevant to the post being offered then an appropriate salary will be offered within the advertised range.

3.1.2 The head teacher will provide a statement for the appropriate committee of governors of the reasons for which the salary has been awarded together with the position on the appropriate range in the school's salary structure.

#### **3.2 Calculation of Part Time Teachers' salaries**

3.2.1 The Governing Body will ensure that all part time teachers employed in the school will have their salaries calculated in accordance with the STPC Document and the "pro rata principle" except where a part time teacher is awarded a TLR3.

3.2.2 The Governing Body will ensure that the total amount of time for which a part time teacher may be directed by the head teacher is calculated in accordance with the STPC Document and the "pro rata principle".

3.2.3 All part time teachers will be advised of the way in which their salary and directed time are calculated.

### 3.3 Recruitment/Retention Incentives

3.3.1 The Governing Body will have a policy with regard to any payment of recruitment/retention incentives or benefits in accordance with paragraph 27 of the STPC Document 2015.

3.3.2 The policy adopted by the Governing Body will be made known to the staff and set out as Annex 4 to this policy.

### 3.4 Staffing Structure

3.4.1 The head teacher will annually recommend to the Governing Body a staffing structure for the school that:

- takes account of any financial limits determined by the Governing Body;
- identifies the posts to which allowances will be allocated for Teaching and Learning Responsibilities (TLR) in accordance with the requirements of the STPC Document, on a permanent basis;
- will determine the value of any TLR post that is to be paid for a short term period. A statement identifying a payment within the range for TLR3, the length of time for which it will be paid, and the reason for the short term payment will be provided to the appropriate committee of the Governing Body. A TLR3 paid to a part time teacher will be paid in full without reference to the "pro rata principle".
- identifies the level of allowance to be allocated to each permanent TLR post between the maximum and minimum limits set out for each TLR in the STPC Document 2015, and the different levels that may be paid within each TLR in the attached staffing structure in accordance with the STPC Document;
- identifies the level of salary to be allocated to any leading practitioner posts together with the salary ranges to be assigned to each post
- identifies posts to be paid on the Leadership Group pay range together with the salary ranges assigned to each post
- identifies any post to which a salary from the Special Educational Needs range of salaries will be allocated together with the level of each allowance to be paid
- identifies the staffing structure for support staff posts together with the evaluated salary range assigned to each post

The staffing structure and pay ranges approved by the Governing Body shall be published with this pay policy.

3.4.2 In the event that the recommendation contains significant changes in the staffing structure the recognised trade unions will be informed and consulted before the final salary structure is published.

### **3.5 Special Educational Needs**

3.5.1 The Governing Body will award an allowance to any teacher who satisfies the statutory requirement of the STPC Document 2014, paragraph 21.

3.5.2 The post and allowance(s) will be identified in the staffing structure and will be spot salaries selected from the SEN range. The value of allowances should be based on whether any mandatory qualifications are required, other qualifications and expertise relevant for the post and the relative demands of the post.

### **3.6 Awards for performance progression to teachers paid on the main pay range, the upper pay range or unqualified teachers' pay range** *(Pay progression will be linked to assessment of performance only).*

3.6.1 At the time of the annual assessment of teachers' salaries referred to in paragraph 6 of this policy, the review committee will consider written recommendations from the head teacher that a teacher be paid a higher salary on the main classroom teachers' pay range for the school, or the upper pay range, depending on which range the teacher is currently paid. The head teacher will also provide written reasons why any teacher should not progress on either range.

3.6.2 Any recommendations for progression to a higher salary made by the head teacher shall be in respect of the teacher's performance during the previous year across all aspects of the teacher's professional duties as measured against the Teachers' Standards, and also having regard to his/her performance review under the school's Appraisal policy with particular reference to the achievement of objectives and classroom performance. In the case of teachers beyond the threshold the Head will also have regard to the teacher's overall contribution to the school.

3.6.3 Before the head teacher decides whether or not to make a written recommendation to the review committee, the Governing Body will expect that the head teacher will have had due regard to the appropriate level of performance expected of a teacher against the school's criteria for the relevant level of the Teachers' Standards according to the salary range on which the teacher is paid. The school's criteria for determining whether or not a teacher shall progress are set out in Annex 5 of this policy

together with the salary points on the Main and Upper Pay ranges adopted by the school and shall be made available to all teachers on the main classroom teacher pay range and the upper pay range.

- 3.6.4 Recommendations for increases in pay will be differentiated such that the amount of any increase is clearly attributable to the performance of the teacher in question. Continued good performance over a number of years should give a classroom teacher a reasonable expectation of progressing to the top of the appropriate pay range.
- 3.6.5 A teacher on the main classroom teachers' pay range whose performance meets the criteria set out in Annex 5 could reasonably expect to reach the maximum of the range in about five years. The Head may recommend that there will be no progression on the range in a given year where the performance of the teacher does not warrant progression. A newly qualified teacher who achieves the required standards at the end of his/her induction will normally progress to the second point on the main pay range.
- 3.6.6 Where a teacher has been absent through long term illness or on maternity leave the head teacher will ensure that the requirements of the STPC Document are complied with by ensuring that a performance review has been conducted. In the event that a review cannot be conducted until the teacher returns to school the head teacher will conduct a review at such time following the teacher's return to school to enable a proper and reasonable assessment to be made and in the event that the head teacher's recommendation is to pay the teacher on a higher salary on the appropriate pay Range the award may be back dated to the appropriate date on which the award would normally have been paid.

#### **4. LEADING PRACTITIONER POSTS**

- 4.1 The Governing Body may decide to include a leading practitioner post or posts in the staffing structure where it receives a recommendation from the head teacher to consider such a post. The leading practitioner post must comply with the requirements of the STPC Document.
- 4.2 Where a leading practitioner is appointed the Governing Body shall select an individual post range on the pay range designated for leading practitioners. A newly appointed leading practitioner shall be appointed to the minimum of the chosen range.

- 4.3 The primary purpose of a leading practitioner post is for the modelling and leading improvement of teaching skills. In addition the leading practitioner will take a leading role in developing, implementing and evaluating policies and practice that will contribute to school improvement. Performance objectives will be set with the leading practitioner and performance reviewed against those objectives in accordance with the school's Appraisal policy.
- 4.4 At the time of the annual assessment of teachers' salaries referred to in paragraph 6 of this policy, the review committee will consider recommendations from the head teacher that any leading practitioner be paid a higher salary subject to the maximum of the individual range. The criteria on which such a recommendation will be based is set out in Annex 6 of this policy.

## **5. THE LEADERSHIP GROUP (*See Annex 7*)**

### **5.1 Deputy and Assistant Head teachers**

- 5.1.1 The Governing Body, following consideration of the relevant criteria set out in the STPC Document, will determine the individual range for a newly appointed deputy head teacher or assistant head teacher's salary.
- 5.1.2 At the time of appointing a new deputy head teacher or assistant head teacher the selection panel of the Governing Body making the new appointment shall determine the salary point on the individual range to be paid. The selection panel shall have regard to advice available from persons engaged by the Governing Body.

### **5.2 Awards for performance to deputy and assistant heads**

- 5.2.1 At the time of the annual assessment of teachers' salaries referred to in paragraph 6 of this policy, the review committee will consider recommendations from the head teacher that any deputy or assistant head teacher be paid additional points subject to the maximum of the individual range. The Governing Body expects that the objectives which were set for a deputy or assistant head teacher under the appraisal policy will have become progressively more challenging as the teacher has gained experience in his/her current role.
- 5.2.2 Where it considers it has substantial difficulties in retaining the services of a current deputy or assistant head teacher the

Governing Body may decide to change the salary range of a deputy or assistant head teacher in accordance with the STPC Document in order to retain his/her services. Only in exceptional circumstances may the deputy or assistant head teacher's range overlap the head teacher's ISR. The deputy or assistant head teacher's salary cannot be placed on a new range, except at his/her current point or the minimum point, whichever is the greater, until the September following the determination of a changed range.

## **6. ANNUAL ASSESSMENT OF THE SALARY OF TEACHERS**

### **6.1 Annual assessments**

6.1.1 On or before 1<sup>st</sup> September of each year, or as soon as possible thereafter, the head teacher will carry out an annual assessment of salary for each teacher, including deputy and assistant head teachers, leading practitioners and unqualified teachers employed in the school. Each teacher will be informed in writing of the recommended salary for the September of the new academic year including any increased salary, having regard to the annual performance review conducted in accordance with the school's appraisal policy and this policy. The head teacher will inform each teacher of the proposed salary before making the recommendation to the review committee. Any written comment from the teacher will be presented to the review committee when the recommendation of the head teacher is presented.

7.1.2 The Governing Body will assign the school to the appropriate Head Teacher Group (HTG) whenever a new head teacher is to be

appointed and on such occasions as the Governing Body sees fit. The head teacher may make representations to the review committee to consider assigning the school to a new HTG. The school must be assigned to its appropriate group not more than three years after the school was last assigned to a head teacher group.

The performance objectives will reflect priorities identified in the school's development plan.

- 7.2.2 An external adviser appointed by the school will support the reviewer governors in carrying out the annual performance review of the head teacher. The performance review and review statement will be conducted in accordance with the school's Appraisal policy.
- 7.2.3 In the autumn term of each year, (or where determined differently by the Governing Body as referred to in 7.2.1 above, in the half term immediately prior to the anniversary of the setting of the performance criteria), the review committee will receive recommendations from the reviewer governors (having consulted the Chair of Governors, if s/he is not a reviewer governor) about the salary of the head teacher. The recommendation shall reflect the reviewer governors' views based on the outcomes of the annual performance review and the Chair of Governor's view of the head teacher's overall performance during the year. Any recommendation for movement up the ISR, on which the head teacher is currently paid, will identify the recommended number of progressed points proposed. The head teacher will be advised of the proposed recommendation and may make a written response to the recommendation.
- 7.2.4 The recommendation for the head teacher will be made in a written statement to the review committee, giving reasons for the recommendation and the level of salary that it is recommended should be paid from 1st September. The head teacher will not be entitled to attend the meeting of the review committee.

7.3.3 In the event that it is considered there are wholly exceptional circumstances which make it necessary to exercise the provision set out in 7.3.2 above then the Governing Body will take external independent advice in accordance with paragraph .3 of the STPC Document 2015 before agreeing to such a decision.

From the date that the Governing Body considers it necessary to make an acting appointment, the Governing Body will pay an allowance equal to the difference between the salary currently paid to the person appointed to act up and a point considered appropriate by the Governing Body on the ISR for the head teacher or the range of salaries for the deputy or assistant head teacher or the level of TLR in question. The STPC conditions of employment for a head teacher, deputy or assistant head teacher will also apply to any person in receipt of such an acting allowance.

7.4.2 If, during any absence of the head teacher, deputy or assistant head teacher or a TLR post holder, the acting appointment is made and maintained for a period then the Governing Body will consider within four weeks of the acting appointment whether or not the teacher shall be paid an acting allowance calculated in accordance with 7.4.1 above. If no allowance is paid the Governing Body may reconsider the position at any time.

## ANNEX 3

### ACCESS TO THE TEACHERS' UPPER PAY RANGE

Any qualified teacher, who made substantial progress towards the maximum of the main classroom teachers' range, may apply to the Headteacher to be paid on the Upper Pay Range. An application may only be made once in an academic year and must be made before the 31<sup>st</sup> October each year. Alderman Jacobs Primary School will not be bound by pay decisions made by other schools.

A successful applicant will demonstrated:

- that as a teacher s/he is highly competent in all elements of the relevant standards:  
and
- that his/her achievements and contributions to the school are substantial and sustained.

For the purpose of this pay policy:

- *Highly competent* means performance which is not only good, but is good enough to provide coaching and mentoring to other teachers, give advice to them and demonstrate to them effective teaching practice and how to make a wider contribution to the work of the school in order to help them meet the relevant standards and develop their teaching practice.
- *Substantial* means of real importance, validity and value to the school; provide a role model for teaching and learning; make a distinctive contribution to the raising of pupil standards; take advantage of appropriate opportunities for professional development and use the outcomes effectively to improve pupils' learning and achievement.
- *Sustained* means maintained continuously over a period of 3 years.

The application shall be in the form of the annual appraisal document (and two previous appraisal reports which meet the criteria) with supplementary evidence from Alderman Jacobs Primary School to be considered which reflects the applicant's achievements over a 3 year period. All applications will be assessed robustly, transparently and equitably by the Headteacher and a decision will be made and communicated within 15 days. Where the application is unsuccessful, the written notification will indicate the areas where the judgement is that the teacher's application does not satisfy the assessment criteria. A successful applicant will progress to the minimum point of the upper pay spine where it is expected that the level of performance assessed will be at least sustained. Further progression on the upper Pay Range will be dependent on additional evidence that the application has developed further in relation to advising and guiding other colleagues across the school.

## **ANNEX 4**

### **TEACHERS: RECRUITMENT AND RETENTION ALLOWANCES OR BENEFITS**

Recruitment or Retention allowances will be considered as a method of attracting or retaining outstanding teachers where the school would be adversely affected by not recruiting or retaining them. Recruitment and retention allowances will be pensionable payments. If a recruitment allowance is paid it will only be allowed to continue after the review date if there is a reason to make a retention allowance. A retention allowance, if paid, will have a review date after which the allowance will be withdrawn. Decisions on recruitment allowances or retention allowances will be made by the Principal following consultation with Chair of the *Governors Personnel Committee*.

Prior to consultation the Principal will set out:

1. The reasons why the post should attract a recruitment or retention allowance with reference to other allowances awarded and any available recruitment or retention information.
2. The start and end date of the allowance.
3. The amount of the allowance and its percentage of substantive salary which will not exceed 10%

The decision to award a recruitment or retention allowance will be communicated to the employee in writing stating the start date and end date, a date at which the allowance will be reviewed, the amount and whether it is recruitment or a retention allowance. The decision to award a recruitment or retention allowance will be reported to the Pay Review Committee at the next meeting.

## ANNEX 5

### PROGRESSION ON THE MAIN UPPER AND UNQUALIFIED TEACHER PAY RANGES

This annex, referred to in paragraph 3.6 of the Pay Policy sets out the school's policy regarding progression on the main and upper pay ranges and on the unqualified teachers' scale.

To move up the main pay range or the unqualified teachers' pay scale teachers will need to have made good progress towards their objectives and have shown they are competent in all elements of the Teachers' Standards.

The school's policy is to reward teachers who meet the school's aims, allow all students to reach their full potential and to maximise the quality of teaching and learning.

The following criteria will be taken in to account in making a pay progression judgement:

1. Achievement of objectives set under the appraisal policy and how successfully these have been met.
2. Evidence of achievement of the Teachers' Standards to a good or outstanding level.
3. Levels of performance in the classroom observations, based on Ofsted judgements.
4. Impact on student progress.
5. Contributions to whole school development.
6. Wider outcomes for students and colleagues.
7. Commitment to their own CPD.
8. Examination results.

Taking into account all of the criteria and any external factors, a best fit judgement will be made by the Headteacher and the reviewers (curriculum managers or other middle managers), as to a teacher's overall grade based on Ofsted judgements.

Teachers demonstrating exceptional performance may be awarded progression on the scale; this will be determined by progress above expected, evidence of consistently good teaching and meeting all performance management targets as well as demonstrating they are competent in all elements of the Teachers' Standards.

Teachers on M6 may move to the top of the scale where they can show consistently outstanding practice over the last three years.

## ANNEX 6

### TEACHERS: THE APPOINTMENT OF LEADING PRACTITIONERS

The school may decide to appoint Leading Practitioners as indicated in paragraph 4 of the Pay Policy and in accordance with the provisions of paragraph 16 of the STPC document 2015. Specific job requirements will include:

- A leadership role in developing, implementing and evaluating policies and practices in the school contribute to school improvement.
- Improving the effectiveness of staff and colleagues through coaching and mentoring. Up to 20% of the Leading Practitioners time will be spent on this aspect of their role (including supporting other schools. Any costs associated with the provision of this service will be invoiced and be retained by the school).
- Criteria for progression on the Leading Practitioner scale will be based on evidence that the Leading Practitioner:
  - Has made good progress towards their performance management objectives
  - Is an exemplar of teaching skills which must impact significantly on pupil progress within school and within the wider school community, if relevant.
  - Has made substantial impact on the effectiveness of staff colleagues including any specific elements of practice that have been highlighted as in need of improvement.
  - Is highly competent in all elements of the teacher's standards.
  - Has shown strong leadership in developing implementing and evaluating policies and practices in the workplace which contribute to school improvement.

**SALARY RANGES AND ARRANGEMENTS FOR TEACHERS PAID  
ON THE LEADERSHIP GROUP RANGE**

- 1 Changes to the determination of leadership group pay under the STPC Document 2015 (paragraphs 4 to 11) should only be applied to individuals appointed to a leadership post **on or after 1st September 2014**, or whose responsibilities have significantly changed after that date.
- 2 The Governing Body may choose to review the pay of all of their leadership posts under the new arrangements, if they determine that this is required to maintain consistency, either with pay arrangements for new appointments to the leadership group made on or after 1<sup>st</sup> September 2014 or with pay arrangements for a member or members of the leadership group whose responsibilities significantly change on or after that date.
- 3 Under the STPC Document 2015, the Governing Body, in deciding the implementation of the arrangements above, may now determine the extent and the size of the salary ranges for the head teacher's Individual School Range (ISR), the deputy head and assistant head.
- 4 The previous arrangements of a 7 point ISR for the head teacher and 5 point ranges for deputy and assistant heads are no longer statutory requirements and, if the Governing Body considers it necessary, can be changed to meet the school circumstances. In addition there is no statutory requirement, other than the ISR must be within the minimum and maximum of the appropriate Head Teacher Group for the unit total of the school(s).
- 5 The only requirement for the deputy and assistant head teacher ranges is that they should only overlap the ISR in exceptional circumstances. The relationship to the "highest paid classroom teacher" formula previously required by the STPC Document 2013 is no longer a statutory requirement.
- 6 When this is not the case then the only **immediate requirement** is confirmation of the Leadership Pay Ranges as indicated in paragraph 3 above. The Governing Body (Headteachers Performance Review Panel) **may** wish to consider paragraph 13 below in advance of setting of performance objectives for Headteacher.
- 7 If an appointment is made that the Governing Body has the responsibility to decide within which Head Teacher group the HTR

be set. The Governing body will confirm the School Group size in November of each year, and formally approve this calculation at the Full Governing Body meeting in December of each year.

- 8 The Salaries Review Group will decide how many consecutive points will be in the HTR, to include how many consecutive points will be in the Deputy and assistant Headteacher ranges and whether this will be same for all Deputy Headteacher and all Assistant Headteacher ranges.
- 9 The Salary Review Committee shall also decide whether there are exceptional circumstances so that the Deputy Headteacher/Headteacher ranges overlap the HTR.
- 10 The Governing Body, specifically the Chair, Vice Chair, Chairs of Personnel and Finance shall identify and decide, along with the Headteacher, the parameters for the point on which a newly appointed member of the leadership group will be paid.
- 11 The Governing Body shall consider circumstances under which the Governing Body may consider paying the Headteacher a salary up to 25% above the maximum of the Head Teacher Group (HTG). These circumstances should be considered exceptional and discussed at the Salary Review Committee. However these circumstances should only be for performance or circumstances outside the normal targets set in the Annual Performance Review.
- 12 The Salaries Review Committee will receive a recommendation from the Headteacher's Performance Review Group of the FGB, and also receive recommendations for any progression for Deputy and Assistant Headteachers from the Headteacher and may accordingly award no point increase, or one or two points progression for Deputy/Assistant Headteachers following their annual performance review. The Review Group will also receive a summary of the academic year being considered from the Chair of Governors, though this will not contain any salary progression recommendation.
- 13 Broadly, failure to meet targets will result in no progression, part meeting of targets where there are extenuating circumstances may result in one point progression, and exceeding targets may be met by a two point progression. The Salaries Review Group must take into account any impact on overall budget when making progression awards.
