

Dear Parents

We are very proud to share our results of our most recent questionnaire with you. You will see clearly how much improvement you feel we have made in the last school year. As always it shows that there are still areas that we need to focus on and we are already looking into the homework that is set as well as the amount of e mails that are sent.

Please remember that our door is always open and we do appreciate all your ideas. Please come and see one of us if you are really unhappy with an element of school.
