Dear Parents and Carers

**Improve your links with school ~ Parent Communication System**

The school has a parent mail system called Schoolcomms. Schoolcomms will enable you to receive all your communications from school quickly and reliably. Not only can we send letters by email to your inbox and short messages directly to your mobile phone as a text message, or if you have either an Apple or Android mobile phone, by app message.

Schoolcomms is registered with the data protection act. All information you provide will be kept private and will not be passed on to any other organisation. Your details will only be used for the purpose of school business. If you have any questions or concerns please contact the school office on 01733 202403.

Yours sincerely

Mrs D Sutton
