

Primary PE and Sports Premium Spending Review 2016/17

Alderman Jacobs Primary School

Current numbers on roll

Number of children in Reception and years 1 – 6 who are **eligible** for Sport Premium on the January 2016 School Census = 504

Funding received: £8000 plus £5 per pupils aged 5-11 years old = **Total £10,520**

Background:

In April 2013, the Government announced new funding of £150 million for Physical Education (PE) and sport. This funding should be used to improve the quality and breadth of PE and Sport provision. This funding is ring fenced to be used for sport specific areas to make an impact in Physical Education and Sport in schools.

Schools are free to determine how best to use this funding to improve the quality and breadth of PE and Sport provision, including increasing participation in PE and Sport so that all pupils develop healthy lifestyles and reach the performance levels they are capable of.

During the academic year September 2016 to July 2017 we plan to spend our funding in the following areas:

The pink area of the table is package purchased from the Witchford School Sports Partnership.

**The Witchford School Sports Partnership (WSSP) is a 'not for profit' organisation. The experienced and highly qualified team works closely with schools across East Cambridgeshire and Fenland to support them in raising whole school standards in Physical Education and School Sport. The WSSP also has extensive and established links with partner organisations; these provide enhanced opportunities for schools.*

			lessons and looked forward to the next one.
	Unlimited access to School Sports Partnership Training	To provide training opportunities to staff across the school in a variety of different sporting activities.	<p>This year staff had the opportunity to attend a variety of training. Miss Betts attended the speed stacking training and Miss Ward attended the high fives netball training. This has allowed them to use their gained knowledge in both the lessons they teach but also to help support lunchtime and after school clubs.</p> <p>As a whole school we received school swimming training which gave staff more confidence and ideas of how to teach swimming successfully during the summer term.</p>
	Training of Midday Supervisors	To provide midday supervisors with the opportunity to develop their social, communication and organisation skills. To give them the knowledge of physical activities that different year groups can take part in, including playground games, skipping activities, circus skills.	A time table is now in place during the lunchtime which allows the children to take part in a range of activities. These are organised and run by young leaders, under the lunchtime supervisor's supervision. This includes playground games, skipping,
