

Engagement Plan: Year 5 Spring 1

National Curriculum

In English we will be reading Michael Morpurgo's Wreck of the Zanzibar.

As Historians, we will be looking into the lives of the Ancient Greeks and the impact they have had on our world today.

As Mathematicians, we will be continuing our learning of multiplication and division and then moving onto fraction work..

In RE we will be learning about Christianity around the world.

As Scientists, we will be classifying animals and plants.

As designers, we will be practising our culinary skills to create a paella dish.

Curriculum Drivers

Energy For Life

In sport, we will be playing net games such as badminton and hockey.

We will make sure that we choose healthy options when creating our paella dish in DT.

Energy for Learning

In reading, we will be using our find and retrieve skills from last term to also make inferences from the text.

We will learn about diversity in the plant and animal kingdoms in Science and about how our identity has been influenced by the Ancient Greeks in History.

Energy for the Environment

We will make sustainable choices when creating our paella dish in DT.

We will continue to reduce, reuse and recycle in the class and around our school.

In PSHE, we will learn about how to be safe and healthy in our lives.
