Thursday 19th July 2018

Dear Parents/Carers

New member Netball Trials for Years 4, 5 & 6
Thursday 13th September 3.15pm - 4.15pm

Mr Pattison is looking for committed children who are interested in joining the existing Netball team and is offering the opportunity for boys and girls from years 4, 5 and Year 6 to take part in a trial.

The trials will be after school on Thursday 13th September at 3.15pm - 4.15pm. Children will need to bring their normal outdoor PE kit.

The aim of this session is to form an AJS Netball team which will compete in Inter-School competitions.

If your child is successful at the trials the After School Netball Club will run on **Thursday** evenings from 3.15pm - 4.15pm. **Please ensure that your child is able to attend the Thursday sessions before attending the trials, in order not to be disappointed.**

Successful children will be notified on Monday 17th September.

Spaces on the team are limited and if your child is interested in attending the trials, please complete the permission slip below and return in the red post box in the reception foyer by **Monday 10th September 2018.**

Yours sincerely
