

# Primary PE and Sports Premium Funding 2024/25

**Alderman Jacobs Primary School**

**Funding received:** £16,000 plus £10 per pupils aged 5-11 years old = **£23,537**

## **About the PE and sport premium**

All children and young people should live healthy active lives. The UK Chief Medical Officers recommend that all children and young people should take part in moderate to vigorous intensity physical activity for at least 60 minutes every day. Children with special educational needs and disabilities should take part in 20 minutes of daily activity.

The Childhood Obesity Plan says that at least 30 minutes of daily activity should take place in schools.

Schools have a key role to play in achieving this aim. This is particularly true of primary schools where the foundations of positive and enjoyable participation in regular physical activity are embedded. All children should have equal access to high-quality PE provision and opportunities to experience and participate in a wide range of sports and physical activities. Academic achievement can improve in school because of the benefits children can gain.

Schools should use the PE and sport premium funding to help achieve these aims. It must not be used for core-type school activities. They should use it to make additional and sustainable improvements to the PE, sport and physical activity they provide, such as:

- funding high-quality PE and sport for at least 2 hours a week, complemented by a wide range of extracurricular sport and competitive opportunities
- providing or improving equal access to sport for boys and girls
- 

Schools should prioritise PE and sport premium spending to improve in the following 5 key areas:

- increasing all staff's confidence, knowledge and skills in teaching PE and sport
- increasing engagement of all pupils in regular physical activity and sport
- raising the profile of PE and sport across the school, to support whole school improvement
- offer a broader and more equal experience of a range of sports and physical activities to all pupils
- increase participation in competitive sport

| Sport Premium Spend        | Activity  | Impact / Rationale for spend and desired outcomes  | Monitoring   |
|----------------------------|---|--|--|
| School Games Opportunities | Participation in a wide range of School Games Sport Partnership Key Stage specific competitions | Increased participation opportunities in competitive sport for all years KS1 – KS2.  | Numbers of children taking part in a range of competitions across the school.  |
