

Engagement Plan: Pre-School Autumn 1- All About Me

Early Years Foundation Stage

As communicators, we will be beginning to talk about ourselves and our close family members.

As geographers, we will be talking about where we live (house, flat etc) and who with.

As mathematicians, we will be focusing on singing number songs and rhymes to support our counting, as well as matching colours, shapes and objects and sorting these.

As Scientists, we will be exploring what we need to wear for the weather and why.

As readers, we will be listening to short stories with a picture stimulus and maintain focus for a short period of time. We will have opportunity to access our reading area and learn how to look after it.

As artists we will be using ready mixed paints and be able to name some of the colours. We will explore painting with our hands, fingers and feet.

As Musicians, we will begin to join and sing along to familiar songs.

Curriculum Drivers

Energy For Life

In PE, we will be catching and throwing a large ball with both hands. We will understand how to mount and move a wheeled toy, e.g. trike and scooter. We will be developing our self-care skills and put on our belongings with support, as well as washing our hands independently.

Energy for Learning

We will be beginning talk about ourselves and our close family members, as well as our likes and dislikes. We will recognise our feelings and understand there are rules and boundaries to follow to keep us safe.

Energy for the Environment

We will be developing our knowledge of the routines and expectations within Pre-School and begin to play alongside our peers in the environment.
