

CELEBRATING

GREAT ATTENDANCE AUTUMN TERM 2024

Classes with highest attendance this term:

-  97.6% - Canada
-  96.6% - USA
-  95.7% - Chile

Whole school target for
2024/25 **95%**
Currently **94.6%**

162 children across the school have 100% and 22 children have 99% attendance - fantastic achievement!

We beat our 95% target in **five** weeks this term.

Next term we are introducing new ways to celebrate great attendance in different classes and for individuals. This also includes recognising classes and children who have improved their attendance from the term before. Below are some of the ideas we have come up with - if children/ parents think of any more ideas, let us know! We are also looking for local businesses to donate prizes/ vouchers for families - let us know if you can help. Thank you.

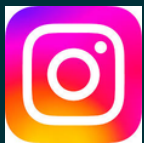

Individual certificates for most improved attendance each term

Hot Chocolate with the Headteacher in our Forest School and Treasure Hunt with Mr Isley for children with most improved attendance each half term.

Children with 98% attendance+ entered into a prize draw to win prizes for the family e.g. restaurant or cinema vouchers

Weekly 'shout outs' to classes with great attendance on Instagram and email.

Class prizes (like extra playtime) for the highest and most improved attendance each half term.

Class with highest attendance in the Key Stage to be awarded a trophy in assembly each week.

Mr Isley

Attendance
Officer

This half-term, 101 pupils have been late at least once; on average we have 10 pupils arriving late each day. In addition to fun things the children miss out on they also can feel embarrassed walking in to their classroom late while their classmates are settled. Please do your best to have your children at school when the gates open at 8:35. Marvellous Me badges will be awarded for all children who are in school on time 10 school days in a row.
