

ALDERMAN JACOBS SCHOOL PE AND SCHOOL SPORTS NEWSLETTER July 2022

Year Two Get Active Festival

On Friday 13th May, the whole of Year 2 were involved in a Get Active Festival that was hosted by Alderman Jacobs Primary School. The festival involved the children rotating round 6 different activity stations. Each station looked at different skills such as balance, agility, co-ordination, running, throwing and catching. Forty Nine Year 6 children from AJS acted as Sports Leaders at this event taking around and showing the children what to do at each activity. They were given training before the event started and they all did an excellent job. Well done to all of Year 2 and the Year 6 Leaders.

Level 2 School Games Quadkids Athletics

On Wednesday 18th May, AJS took three teams of athletes to compete in the School Games Quadkids Athletics Event at Sir Harry Smith Community College. There were 18 teams competing from Chatteris, Wisbech, March and Whittlesey. Teams were made up of five boys and five girls and we had two teams from Year 6 and one team from Year 5. Each member of the team competed in a 75m sprint, 600m long distance, standing long jump and a howler throw. Depending on the time or distance the children were allocated points. The points were then added together to give a team score. The children all did an amazing job putting maximum effort into each event. The overall result ended with the Year 6 C team coming 3rd, Year 5 team coming 8th and Year 6 B coming 9th. Special mentions go to Jacob U for coming 6th out of all the boys at the event and Evie-Rose H for coming 3rd out of all the girls at the competition.

Year 5/6 Whittlesey Schools Football Tournament

On Thursday 19th June, AJS took two teams to a Year 5/6 Football tournament at Sir Harry Smith Community College. The tournament was played in two pools on a round robin basis against teams from New Road Primary School and Park Lane Primary School. The teams worked extremely well together passing the ball, creating space and scoring goals. They won all their matches in their pools apart from one. This meant that both teams finished second overall. I was very impressed with the children's excellent sportsmanship and teamwork. Well done to all the players that took part, you were a pleasure to take and excellent ambassadors for AJS.

Whittlesey School Bee Netball Tournament

On Wednesday 8th June, I had the privilege of taking two teams to the Whittlesey Schools Bee Netball Tournament, which was held at New Road Primary School. The teams had been trained and picked by Miss Ward and Miss Abbott and the skills that they had developed in training showed in every match they played. Each team battled hard in all of their games with some excellent shooting and defending skills that prevented the other teams from scoring many goals. Both the teams came second overall in their pools and received medals and certificates. Well done to both teams.

Thank you to Miss Ward and Miss Abbott for doing such an excellent job training the teams over the course of this academic year.

The Friendly Games

On Wednesday 15th June, twenty Year 6 children had the opportunity to visit Sir Harry Smith Community College and take part in a variety of different activities. These activities worked on building their confidence, team work and communication skills. The children also got to see the different areas of the PE department and work with young leaders from Year 8. The children worked really hard and had an enjoyable morning.

Whittlesey Girls Football Tournament

On Friday 24th June, Park Lane Primary School hosted the Whittlesey Schools Girls Football Tournament. The Whittlesey Sports Association helped run this event along with referees and scorers from Sir Harry Smith Community College. The children from the three local Primary Schools had the opportunity to play against each other in a round robin tournament. At the end of the tournament all of the girls who competed were presented with a medal and a certificate. The AJS teams came 1st and 2nd overall. Well done to the girls that took part.

Team A

Team B

Year 3 Tri-Golf and Tennis Festival

On Friday 1st July, thirty children from Year 3 took part in a Tri-Golf and Tennis Festival that was hosted by Cromwell Community College. The Festival involved the children rotating round eight different activity stations. Each station looked at different skills such as putting, chipping, aiming at a target for golf and for tennis hand eye coordination, racket control and technique for forehand and backhand. Twenty four children from Cromwell acted as Sports Leaders at this event taking the children around the activity stations. All the children had an excellent morning learning new skills. Well done to the Year 3 children that took part.

Sports Days 2022

The Alderman Jacobs Sports Day 2022 took place over three different days. Each Sports Day followed the same format with the children being split up into their school house teams. Whitlock - Yellow, Brownlee - Red, Simmonds - Blue and Peacock - Green. Once they were in their house teams the children took part in an activity wheel that consisted of 10 different physical activities including mini hurdles, football dribble, target throw, obstacle relay, skipping etc. The second part of each Sports Days consisted of the traditional track races including sprints, long distance, sack race, skipping race, egg and spoon race and bean bag in a hoop race.

We would like to thank all family and friends that supported this year's Sports Days. All the children had a great time taking part in a variety of multi-skilled activities and competitive events.

Sports Day Results

Overall results including activity wheel and track events added together from all year groups.

1st Place = Whitlock

2nd Place = Brownlee

3rd Place = Peacock

4th Place = Simmonds

Heathy Lifestyles Day

On Friday 15th July, AJS held their annual Healthy Lifestyles Day. The day started with a Sporting Celebration Assembly. The children then headed out to try a variety of different sporting activities including groove, tri-golf, archery, body combat, multi-skills, rebound fit, multi-sports and Roar Stars football. The children also had the opportunity to taste crudities and dips. The day finished with KS1 designing a poster and KS2 watching a Skipping Assembly.. The workshop was run by Everyone Health and looked at healthy snacks and the sugar content of certain snacks/drinks and what should be included in a balanced diet.
