

ALDERMAN JACOBS SCHOOL PE AND SCHOOL SPORTS NEWSLETTER DECEMBER 2022

Year 6 Play Leaders

During lunchtimes, the children in Year 6 were invited to volunteer as a Play Leader in order to enhance enjoyment and increase physical activity. There was a high demand for this and therefore the children had to fill out an application form saying why they would be suitable for the job. This resulted in 50 children being selected to take on this role. A rota was set up and the children spend 2 lunchtimes per week working with a specific Year Group setting up games activities on the playground and supporting the children when eating their lunch.

Sports Ambassador Training

On Friday 30th September the six Sports Ambassadors, Seren S-R, Rocco A-B, Rose R, India M-W, Jasmin B and Cedric P attended a training session hosted by Alderman Jacobs Primary School. The session started with an ice breaker task which involved the children finding out something about a partner from another school. The children then thought about what their role as a Sports Ambassador should look like and what jobs they might take on back at school. They also talked about taking on the role of playground leader and how it could be set up within their school setting. After a short break the children then took part in a practical session learning and teaching the rest of the group a playground game of their choice. They also had the opportunity to talk on the Fenland Youth Radio about the Sports Ambassador role. The morning finished with the children eating their lunch together. The ideas they have come up with will now be developed in school.
