

# AJS School Council Meeting Minutes

Wednesday 11th October

Chaired by Miss Orr

Minutes by Miss Orr and Oli

## School website

Suggestions to improve the children's part of the school website were:

1. Changing the maths and English games. Children didn't realise there were English sites to use too.
2. Split the children's zone into KS1 and KS2.  
The children wanted a reminders section where they could find information e.g. sports day dates, houses and colours.
3. Year 6 were interested in a 'transition section' where they could find examples of Year 7 work, homework and transition news.

## Termly newsletter

Things the council want to include:

Show off work

Notices

Overview of what the council have been working on.

## Other ideas

- Raise money for wet play games.
- Improving furniture- to be discussed in more detail.
- Visitors in school- services in local areas.
- More books in the library- poem books.
