Terms and Conditions

Frequency and Timing of Lessons

The rates quoted are for 30 lessons over the course of an academic year from when lessons commence. Each pupil will receive between 10 and 12 lessons per academic term. If for whatever reason a minimum of 10 lessons don't take place during any given term, these will be either be made up online or rolled over into the following term. If at the conclusion of the 30 lessons it is possible to hold additional lessons until the end of that particular term, then the parent/guardian will be informed and given the option to pay for these additional lessons. Pupils can only start lessons at the commencement of each half and full school terms.

Each lesson will take place within the school day (except online lessons which will take place outside of the school day), although they may occasionally be before or after school, and wherever possible scheduled to avoid other key curriculum lessons. Lessons may also be on a rotation basis.

Group Lessons

Group lessons will be arranged according to the number of pupils and availability as follows:

2 Pupils – 15 mins

3 Pupils – 20 mins

4 Pupils – 25 mins

Should a group lesson be requested but there is no suitable grouping then the parent/guardian will be contacted to discuss possible options, which may include upgrading to Individual lessons or going onto a waiting list.

Tuition Fees, Billing and Other Charges

Parents/Guardians will be invoiced termly (in advance) in August, December and April. Payment must be received within 14 days from the date of invoice. If payment has not been received on, or prior, to the first lesson of the term, then JMP Music reserve the right to delay the lessons until payment has been received.

Additional fees for examinations etc will be invoiced as they are incurred. These are arranged directly with the teacher.

All cheques should be made payable to "Jonathan Paul" with the student name and invoice number written on the reverse of the cheque.

Any cheques returned unpaid will incur a £10 handling charge.

Monthly payments are collected by direct debit (via Go Cardless), with every month of the year being charged for, including August. These will continue until a child gives up or leaves the school.

No refund can be given if the pupil decides to give up lessons part-way through any period that has already been paid for.

JMP Music reserve the right to suspend your child's classes until any overdue payments have been received.

All payments are collected on behalf of the teacher, and these will be passed on at the end of each month.

Cancelled and Missed Lessons

JMP Music reserve the right to cancel any classes any time up to and including the date the class starts. Should this occur we will endeavour to give you as much notice as possible via Facebook, text or phone/word of mouth and a credit note will be issued.

Lessons cancelled by the tutor for any reason will be made up.

Lessons cancelled by the school for any reason will be made up.

Lessons suspended due to late payment will not be made up.

Lessons missed for any other reason cannot be rescheduled and there will be no refund e.g., if the pupil is off sick, forgets their instrument, or is on holiday.

If a student does not arrive on time for a lesson the teacher will collect the pupil from their classroom. However, any time lost due to pupil lateness will not be made up due to the knock-on effect of other scheduled lessons.

A decision by the pupil or parent/guardian to discontinue lessons should give notice in writing prior to the due date of the next invoice.

In the event of a pupil leaving with fees still outstanding, JMP Music reserve the right to pursue recovery of the debt by all legal means, including court action.
