

Engagement Plan: Year 2 Spring 1— Mount Vesuvius and the destruction of Pompeii

National Curriculum

As Scientists we will be finding out a living things and their habitats related to basic needs. We will also be classifying animals in different ways.

As Historians, we will be learning about Mount Vesuvius and the destruction of the town of Pompeii.

As Artists we will be using a range of media to focus on our painting skills.

In English we will be writing to entertain. We will be producing first and third person narratives based on different books including The Journey Home. We will also be writing a diary entry based on the book Zeraffa Giraffa.

As Mathematicians we will continue to practise our multiplication and division skills, in particular rehearsing our skills in remembering and using the 2, 5 and 10 times table.

In RE, we will be learning more about Christianity , including learning about parables such as The Good Samaritan and The Lost Sheep.

Curriculum Drivers

Energy For Life

For our health, we will continue to follow the school's healthy eating policy and encourage healthy snacks at break time.

In sport, we will be playing playground games during outdoor PE and gymnastics during indoor PE.

Energy for Learning

In our learning, we will be drawing on information from recent school assemblies around power and mindset.

We will be learning about local festivals and traditions by taking part in the Whit-lesley Straw Bear festival.

Energy for the Environment

As part of our learning about animal habitats, we will be thinking about looking after the environment through recycling and what we can do to help.
