

Engagement Plan: Year 6
Spring Term 1
The Changing Monarchy

National Curriculum

As historians, we will be analysing how the role of a Monarch has changed throughout history, focusing in on power and identity. We will consider how our monarchy compares to British monarchies of the past.

As scientists, we will be understanding how our identity is shaped through evolution and inheritance.

As artists, we will be developing our painting skills through the use of water colours.

As individuals, we will continue to develop our resilience and perseverance, knowing that challenges encourage us to think hard and become more powerful learners.

As theologians, we will be analysing a variety of the stories that Jesus told and how the morals link to being a Christian.

Curriculum Drivers

Energy For Life

To improve our knowledge about the world (past and present), we will be studying historical figures and making links to how it has shaped the world today.

In sport, we will be developing our team building skills and our sportsmanship through outdoor and indoor team sports.

Energy for Learning

To improve our knowledge, we will investigate the heritage of our country.

To improve our skills, we will be writing in role, using a variety of techniques to portray life during the Tudor period and the correct use of language fit for this era.

To demonstrate positive learning attitudes, we will be thinking about how we can face challenges as independent learners and understand that making mistakes is part of the learning journey.

Energy for the Environment

To be a supportive citizen within our community, we will be understanding the diversity of the modern day world. We will understand the rights and power we have nowadays, in comparison to that of the past.
